Enjoy HUGE Cost Savings... the more members you enroll, the more you save!

How It Works

Complete the Group Membership Application – be sure to include the first and last name, mailing address, email address and daytime phone number of each employee and submit along with payment to NCMN. Once payment is processed, a confirmation email will be sent to the contact person on the company application. Each employee will be set up with an individual account and will also receive a confirmation email verifying the membership has been processed and the employee is ready to begin accessing NCMN member benefits. Group memberships are rolling and active for one year. No matter when you join you receive benefits for 12 months. If agreed upon, a list of current Group Members is posted on the NCMN website.

NCMN's publications are essential resources for the latest information on Case Management, and are included FREE with Company Program membership.

Employees receive FREE free hard copies of:

- ✓ [Canadian Standards of Practice for Case Management](#) mailed & available online
- ✓ [Case Management Connection](#) NCMN's quarterly newsletter
- ✓ [Professional Case Management](#) NCMN's official journal
